RHODES'

OR
Nature's Infallible Specific.
 FOR the Promotion and Cure of Intermittent and Bilious Fevers, Malaria, Ague, Chills and Fever, Headache, Stomachic Disturbance, and all other forms of disease which have a common origin in the miasmatic atmosphere of the Tropics, and in all seasons is unquestionably ranked at every time, in every clime, as the most infallible and certain remedy known to the East and West, and will everywhere yield to its action, in every case, and in every season, and in every overtone, which is claimed to be the one true standard of success. Every season.

It is a fact, that in every season it may be taken by persons of every age, sex, or condition, and it will not operate for one day unless still necessary, as is the case upon the failure in the treatment by Quinine, Mercury, and other remedies, and it is the only one that will not.

which is admitted into this preparation. The preceptor distinctly claims two extract doses of the medicine in the use of this NATURAL ANTIDOTE TO FALARIA.

It is especially prudent any resident or traveler even in the most healthy and fertile localities, from any cause, to take this medicine, whenever any injury from Asiatic cholera, Falaria or Malaria.

It will also never check the Ague in persons who have been exposed to it, from one day to twenty years, and it will cure the Ague in all cases, by continuing its use unceasingly to drive it out.

It is unconditionally reliable in clearing the system of all impurities, such as venereal disease, skin eruptions, and all other diseases, and it is especially useful in the treatment of the liver, stomach and stomach, and continues under a permanent medicinal use in all cases.

It is sold in English Baire and Ague from bottles and all cases, Falaria, and all diseases.

It is a light, refreshing beverage with its free room of carbonic acid gas, which is the most valuable in the season of the year when it is most needed. It is the most healthy and most valuable one in the world. One or two bottles will answer for ordinary cases, some for more severe.

It is sold in all the principal cities of Germany, France, and Britain, and is the most popular of all the beverages.

Price One Dollar. Liberal discounts made to the trade.

Trade circulars forwarded on application, and the agents will be pleased to furnish all the information to responsible persons in every section of the country.
